California Council for the Military Officers Association of America

Dear CALMOAA Leaders and members,

1 July 2020

When America is tested, it can be a powerful reminder that our founding principals are as vital today as they were more than two centuries ago. Our Founding Fathers entrusted future generations to protect our freedoms, and Independence Day reminds us to celebrate the privilege of being citizens of this great nation.

More than 350,000 MOAA members are helping ensure our founding principles will endure for centuries to come. Like our forefathers before us, MOAA members are securing the blessings of freedom for future generations. I hope you will consider making this remarkable year memorable, not for what has passed but for the promise of what is to come.

Wishing you and yours a meaningful Independence Day—Let freedom ring, now and forever!

President
