

CALMOAA Legislative Report for 2020 Annual Meeting

NORTROP GRUMMAN

September 2020

Jeff Breiten, Legislative VP

CALMOAA Legislative

The 2019-20 California Legislative Session has ended. September 30 was the last day for the Governor to sign or veto bills sent to him when the Legislature adjourned on August 31. This is a report on the legislation your organization took official positions on during 2020.

The election and new legislative session:

The Presidential General Election will be on November 3. Based on the results of that election, newly elected legislators will be sworn in on December 7. All of the Legislature's 80 Assembly seats will be on the ballot as well as 20 of the State Senate's 40 seats. Many current legislators will fend off challenges and retain their seats, some will lose their seats to a challenger, and some are termed out. On December 7, the 2021-22 Legislature will be sworn in, after which they will return to their districts. The legislative session will begin in earnest in January. On January 1, bills that were recently signed in to law this month take effect (unless they were urgency bills, which take effect immediately).

National events and the economy could shape a lot of what the Legislature could focus on in 2021-22. Also, in January, new committee assignments will be made, so we will see who gets on to the Veterans Committees as well as the influential Appropriations Committees.

Going forward:

The COVID-19 pandemic severely curtailed the legislative activity this year. Many good (and bad) bills were shelved to clear the decks to address legislation relating to the pandemic. Since a lot of the legwork was done putting the bills together in early 2020, there is a good chance a lot of those bill ideas will come back in 2021.

Barstow Veterans Home:

The State budget that was passed in June provided a process that must be followed by CalVet in determining the fate of the Barstow Veterans Home. Part of the process called for stakeholder input. There was a CalVet stakeholder call last month which we monitored on behalf of our clients. CalVet will release the findings of the community input in early 2021.

Legislation CALMOAA took positions on in 2020:

- Some bills began in 2019 and became 2-year bills.
- “Failed Deadline” status means the bill died because it did not move through the process by the legislative deadlines. This year, it was mostly because legislators were asked to shelve their bills that did not address the pandemic crisis.
- “Approved by the Governor” status means that the bill has been signed into law and will take effect January 1 unless stated otherwise in the bill’s language.
- “Vetoed” status means the Governor did not sign the bill and it will not become law.
- “Chaptered by the Secretary of State” status means that a Senate Concurrent Resolution (SCR) or Assembly Concurrent Resolution (ACR) was passed by the Legislature and sent directly to the Secretary of State for official posting. The Governor’s signature is not required on SCR’s and ACR’s
